CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

For Governor,
JOHN D. FREDERICKS.

John D. Murphey, the candidate for associate justice of the Supreme Court, has every qualification for the position to which he aspires. He has a good legal mind and a long experience on the Superior bench which fits him for the higher tribunal. A vote for him is a vote for a worthy man.

In Alameda county, the Progressive machine has come to grief. Registration frauds, followed by stuffed ballot boxes, has resulted in a crash that will spell defeat for the third party ticket in what was once their stronghold. This result is the logical result of any political machine in which the people have no direct vote. It happened under the old Southern Pacific regime, and now the Johnson ring is up against the same proposition—the people have found them out.

WELL EQUIPPED FOR DUTY.

In electing Michael Sheehan sheriff—as it now seems certainly assured they will do—the voters of San Mateo County can make no mistake. His long experience in the county in work of the character required of the Sheriff's office admirably fits him for the position. Both in the detection and apprehension of offenders against the laws, he has proven him self to be thoroughly proficient, making a record surpassed by no other officer of the county. His long connection with the justices courts has also equipped him thoroughly for the service of the civil processes of the Superior Court, a duty for which his admirable personal qualities splendidly fit him. Entirely free from personal obligations and alliances, every citizen can be assured of fair and impartial treatment at his hands. A vote for Sheehan means a vote for an impartial and economical conduct of this important office.

A GOOD COMBINATION.

The voters of California have two splendid citizens before them for the two highest offices in the state—Governor and Lieutenant Governor—in the persons of John D. Frenericks and Jo. V. Snyder, aptly remarks the Burlingame Advance.

Neither are of that ultra progressive type that has brought little but ridicule to the state, and each is admirably equipped for the office to which he aspires. While the nominee of the Democratic party, Mr. Snyder deserves the vote of every Republican who at all believes in the perpetuty of party organization. The Republicans have no candidate for Lieutenant Governor, the conscienceless scheming of the Progressives having deprived the party of a nominee for that office. The fact that Democrats of every section are rallying to the support of Fredericks is another strong reason why the vote of Republicans should be given to the Democratic nominee for Lieutenant Governor.

Mr. Snyder has had many years experience in the legislature of the state and is thus admirably equipped for the duties of presiding officer of the Senate or, if required, to temporarily discharge the duties of the higher office, A native of the state, Mr. Snyder knows her needs and is in sympathy with her aspirations.

A Governor from the south and a Lieutenant Governor from the north would make a most happy combination at this time and would go far to cement the elements of the two sections of this great state.

RALLYING TO THE STANDARD.

The Republican campaign is continuing with a zeal that has not been experienced in recent years. In San Francisco is centered the chief energies of all parties in the struggle. Since the publication of the Republican platform adopted in Sacramento there has been a great rallying of the business and industrial forces of the State's metropolis to the banner of Fredericks and the Republican party. The unity of the Republican party has been cemented by the active and manful participation in the campaign of Francis V. Keesling, Wm. C. Ralstron and Chas. M. Belshaw, the Republican candidates for Governor who failed of the nomination. The drift has set definitely toward the Republican party.

The Republican platform, approving measures passed in the last four years by the legislature, fostered by Republicans and enacted by men elected on the Republican ticket has unquestionably earned the support not only of republicans but of many thousand of democrats and progressives. This conversion of other parties to the principles of prosperity and the revival of industrial activity in California, has been particularly noticeable in the southern part of the State, where Democrats and Progressives alike are hastening to change their registration.

The definite promises made in the Republican platform, that there shall be a development of and an improvement in the measurer already adopted, such as the direct primary law, the public utilities act, the Workmen's Compensation act, and others, while at the same time fewer laws are promised with a definite pledge against radicalism, is a legislative program that the people as a whole can commend and support whole heartedly.

Captain Fredericks is appealing to the reason of the State electorate. He is making no emotional plea for vindication of past conduct nor is he heaping his political adversaries with abuse. He points to the extravagance of the State administration and tells how it may be checked in such matters, for instance, as the State Highway Commissiom, which has spent somewhere in the neighborhood of ten millions of dollars and has compartively little to show for it. Already the roads constructed under the State Highway Act with the thin veneer of asphaltum surfacing are begining to be in need of further repairs. The State Harbor Commission, with a bond issue of nine millions voted by the people to improve the San Francisco Water Front cannot begin to show the improvements which should have resulted under a business administration, but on the other hand shows a larger and more corrupt political machine than the State has ever been burdened with.

BYRD-GOODWIN DAMAGE SUIT IS COMPROMISED

The case of Mayelle Byrd against J. W. Goodwin and his son was amicably settled out of court Wednesday. Negotiations had been pending prior to the trial for a settlement, but were not consummated when the trial began. The case started on Monday, the jury was impanelled and the matter continued until Tuesday morning at which time evidence was taken. During the noon hour negotiations were resumed, and a satisfactory settlement reached. We undestand the amount of the settlement was $6500, and this covered both cases, that is the case of Mayelle Byrd and that of her brother, B. C. Byrd, the former suing for $51,000, and the latter $10,000. The jury was composed principally of women. Miss Byrd and her brother were injured in an automobile accident a year ago last May by being run into by Norris Goodwin, a youth about seventeen years old. Miss Byrd was severely injured, and was confined to the Redwood City hospital for six months. Her brother's leg was broken and otherwise badly bruised and injured The defendant denied liability, for the reason that defendants contributed to their own negligence. This was denied on the part of the Byrds, who claimed that young Goodwin was a reckless driver, and what is known as a speed-burner. However, Goodwin Sr., made every effort to settle the matter out of court, notwithstanding the fact that he claims no responsibility for the accident. The attorneys in the case on both sides made every effort to adjust the matter before th trial. The Byrds were represented by Ross & Ross and Walter Linforth, and the defendants by Goodfellow, Eells, Orrick & Moore, Samuel Knight and Jas. T. O'Keefe.

COUNTY COMMITTE PLANS FREDERICKS RECEPTION

The Republican County Committee held an important meeting at Burlingame Tuesday and perfected plans for a strenuous campaign in the county. Arrangements were made to have a rally in every town, winding up the campaign in Redwood City with a big meeting at which the foremost speakers of the state will make addresses. All the members of the committee were present and all were enthusiastic about the success of the party on November next. It was predicted that Captain Fredericks would carry the county by a majority of fully 2000 votes. This was considered a conservative estimate. The committee is making arrangements for receiving the Republican standard bearer when he comes to the county on October 26. His triumphal march from Daly City to Redwood City will be one of the biggest political events that has ever taken place in San Mateo county. It is predicted that over 1000 automobiles will escort Mr. Fredericks down the peninsula to Redwood City where he will address the multitudes that will await his coming.

OPERA "POLISHED PEBBLES" AN INTERESTING STORY.

The story and action of Mr. Carrington's second operetta, "Polished Pebbles," which is to be given by the highschool students November 6 and 7, is, in brief, as follows:

Mrs. O'Brien, living on a small farm, has been given five thousand dollars by her brother Robert for the education of her two daughters and her niece living with her. She takes the money and her two daughters to the city, leaving the niece. The money is soon spent foolishly and a letter written for more. Uncle Bob, however, doesn't like the quick action with the money and tells them to meet him at the farm. He arrives ahead of them, assumes the role of an old negro, and is a witness to their artificial life and their unkind treatment to Rosalie, his niece. Everything comes out all right in the end, but the action tends to picture the result of insincerity, and of faithfulness.

The operetta is one that the people of Redwood City will doubtless be glad to see and will prove thoroughly entertaining. The music is pleasing and some of the numbers are gems. The cast will be announced later.

LOCAL CAPITAL INVESTED IN NEVADA PROPERTY

C. M. Wooster, Major Charles Christensen, C. Paige of San Francisco, John P. Clark of Fresno and Geo. C. Ross of this city have purchased the Big Five Ranch and the Derby lands in Lovelocks Valley, Nevada, comprising 110,000 acres with the canals, water rights and irrigation system and the land with water is now placed on the market in forty acre farms for alfalfa, wheat barley, sugar beets and dairy purposes.

The soil is a sedimentary and peat formation and highly productive.

The Big Five Ranch was one of the projects of the late United States Senator Nixon, who, with his associates, farmed the land to alfalfa and grain.

LOCAL NEWS NOTES.

The Oakland Boys' Band will be here Saturday evening and will give an open-air concert at Main street and Broadway from 7:30 to 8:30. Immediately following a social dance will be given at the Foresters's hall, music for which will be furnished by the band.

The road between Redwood City and Woodside is now open and is a fine stretch of roadway. The grade has been cut down and a is safe to say that it will become a number ofsharp turns removed. It favorite route for automobilists as many beautiful scenes present themselves as one comes from the highlands down into the valley.

W R. Markt, better known as "Beefstake , Bill," who was found guilty in Judge Lamb's court at Burlingame last Wednesday of conducting a gambling resort at Visitacion, was sentenced to pay a fine yesterday, of $500. A raid was made on the place two weeks ago. J. J. Bullock, who defended Markt, will appeal the case to the Superior Court.

Sewell Goddard, a county pioneer who spent the greater part of his life here in and about Woodside, passed away Tuesday. The deceased was a native of Maine,. aged 89 years. He was a quiet, inoffensive old gentleman and highly esteemed by many friends. His death was due to old age. The funeral was held Thursday from the Congregational church at 11 a. m. Interment at Cypress Lawn.

On the eve of their surrender of the management of the Bell theatre, Mr. and Mrs. Nathhorst awere presented by the employees of the house with a handsome silver tea set, a striking evidence of the high regard in which tey were held by those with whom they were most closely associated. This will undoubtedly be preserved by the recipients as one of the most esteemed of the souvenirs of their residence in Redwood City.

Grand Master John D. Murphy of the lodge of Masons has appointed Charles Landscheit marshal to take the place of Congressman Kettner who is detained at Washington and will not be present at the annual session of the grand lodge that convenes in San Francisco next week. He was the regular appointed officer. The appointment of Mr. Landscheit to the place is quite an honor and shows how well he is thought of by Masonic fraternity.

COUNTY ROAD IMPROVEMENT IS POSTPONED

Errors in Preliminary Preparations Lead to Delay in Important City Work.

From present indications the expected improvement of the city's portion of the County Road will be delayed until next summor—if not indefinitely postponed. This was the conclusion, practically, reached by the city council at a session last night which lasted until an unusually late hour for the trustees—with whom protracted sessions are not at all uncommon. With a full board of trustees present, some two hours were devoted to an attempt to reconcile discrepancies which had crept into the proceedings, and which seemingly must necessitate an entire revision of the preliminary work in order that the city authorities may obtain legal control of the work intended to be done.

For the construction of the concrete work, which included sidewalks, curbs and gutters, T. C. Rice was the only bidder. Some of the trustees were inclined to consider the prices named a little high and were disinclined to act until those who must pay the bills were given an opportunity to be heard. For this reason, as well as a question raised as to the exact legality of some of the publications of legal proceedings, action on the bid was postponed until the next regular meeting.

For the paving of the roadway the single bid presented was not even opened, it plainly appearing that errors made in the preliminary preparations were such as to render the entire proceedings illegal. After a long discussion, as a result of which the trustees arrived at the conclusion that their work had gone for naught, and relnctantly returned the unopened tender.

The Geo. H. Irving Co. presented a petition asking for permission to improve Brewstea avenue in Redwood Highlands with a modern pavement and concrete sidewalks and curbs. The specifications, which indicate a standard city street, were referred to the committee on streets for approval.

Theater to Be Remodeled.

Since assuming charge of the Bell Theater, E. J. Arkush the new proprietor of this popular show house has decided to make a number of improvements in the building, which will add both to its accommodations and appearance. During the early part of this week an architect made an inspection of the premises with a view to the preparation of plans for remodeling the front of the building, which will do away with the steps at the entrance and provide a convenient lobby. For the greater comfort of the patrons of the place the seating capacity willl be increased by the addition of 150 comfortable opera chairs. Improvements are also to be made in the service given, one of which will be the presentation of a splendid comedy production each evening and the addition of a Pathe Weekly news service of the European war, which will be shown every Thursday evening at popular prices.

ASHTMA AND HAY FEVER A GUARANTEED TREATMENT

"I have arranged with P. A. Ryan so that every sufferer from Asthma, Hay Fever or Bronchial Asthma in Redwood City can try my treatment entirely at my risk," Dr. Rudolph Schiffmann announces. He says: "Buy a 50-cent package of my Asthmador or Asthmador Cigarettes, try it, and if it does not afford you immediate relief, or if you do not find it the best remedy you have ever used, take it back to P. A. Ryan and they will return your money, cheerfully and without any question whatever. After seeing the grateful relief it has afforded in hundreds of cases, which had been considered incurable, and which had been given up in despair, I know what it will do. I am so sure that it will do the same with others that I am not afraid to guarantee it will relieve instantaneously. The druggist handling Asthmador will return your money if you say so. You are to be the sole judge and under this positive guarantee, absolutely no risk is run in buying Asthmador."

Persons living elsewhere will be supplied under the same guarautee by their local druggist or direct by Dr. R. Schiffmann, St. Paul, Minn. Advt.

SAN GREGORIO, Oct. 7—Wm. Ralston, our esteemed neighbor, went to San Francisco Saturday last and entered St. Joseph's hospital, where on Monday his leg was amputated at the hip. Messages received by his family were very satisfactory and Dr. Smith, the surgeon, says his patient was doing nicely. The many friends of Mr. Ralston wish his speedy recovery, and his return to home before long. J. Manning of San Francisco and Melville Ralston accompanied Mr. Ralston to the metropolis last Saturday.

The family of Andrew Roy enjoyed last Sunday huckleberrying on Bald Knob.

Ed. Beebe and his wife of Lobetus were guests at the Schroeder home last Sunday. Mr. and Mrs. Schroeder will depart Sunday next for their new home near Mountain View, and the best wishes of a host of friends go with them. San Gregorio's loss is Mountain View's gain.

Through the extreme kindness of Ed. Dearborn, a party of young folks from San Gregorio attended the dance at Pescadero last Saturday night and had a lovely time. Many thanks to Mr. Dearborn.

Mrs. Ida Mesquite of Bellvale has enjoyed a week's visit from her sister, Miss Ione Moore, and Miss Josephine Von Ratz of San Jose.

Mrs. John Marshall has returned after a ten days' stay with relatives in San Francisco and vicinity.

Frank Douglass is much missed by the young folks of San Gregorio since his departure to his home in Redwood.

Mrs. Jas. Bell of Bellvale has had her brother, W. J. McGarvey of Redwood, as a guest during the past week.

Miss Bernice Lodt of San Francisco is enjoying the hospitality of the Silva home at Bellvale.

Miss Maybelle Carlin of San Francisco is a guest at the home of S. A. Ponce this week.

The container will be 100 feet in diameter and ninety-six feet high. It will weigh 400 tons.

Card of Thanks.

On behalf of the surviving children of Joseph Peterson, Mrs. Peter Early of Woodside desires to return thanks to her friends and neighbors for the kindness and sympathy shown to her and her family during their bereavement. Also for the beautiful floral offerings.

LOCAL NEWS NOTES OF MENLO PARK

Intererting Paragraphs of General Interest Gathered About the Town

Martin Kuck is reported quite ill. Owing to his advanced age his sickness causes some alarm.

Joseph Schaffer, an old time resident of Mayfield, was appointed post master of that place during the week by the postmaster general.

Miss Ella Canning, a prominent young lady of Oakland, is here spending a few days with her friend, Miss Agnes Mason.

Joseph Flannagan is at the Peninsula hospital suffering from a broken rib. He had several hemorrhages during the week which caused his relatives much alarm.

M. Sheehan, the candidate for sheriff, will receive a majority of fully 200 votes over his opponent here at the election in November. Nearly everyone in town appears to be a Sheehan booster.

E. S. Clute, a former station agent at this place, was here Tuesday calling on friends. Mr. Clute is at present telegrapher for the San Francisco fire department, a position he filled some years after leaving here.

The wedding of Miss Sterns daughter of Mr. and Mrs. Sig Sterns of Atherton, to Mr. Haas on Sunday, October 18, will be a big social event. Elaborate preparations are being made to entertain the many guests that will be present.

The Menlo Park Horticultural Soicety will hold its annual flower show at Palo Alto on October 23, 24, and 25 of this month. The society has secured a number of valuable prizes to be awarded the growers. It is expected that the exhibit this year will be the finest ever held by the society.

The Stanford farm is to be divided up into home sites and a colony of country houses erected, if the plans of the university board of trustees can be carried out. Dearth of water is the only thing that can hold back the scheme. Members of the board of trustees believe that arrangements for an adequate supply can be made with the Spring Valley Water Company, to bring water from Portola.

A squadron of the First Cavalary of the U. S. army camped back of the French laundry on Wednesday. The men were on their way from Monterey to the Presidio with horses to be used by the aged officers of the latter post, in making a test of their endurance. The old officers will return in a few days in a rapid march to Monterey. This test is made bythe government every year, the object being to keep up the efficiency of the army.

Mrs. Maud Morganate lost a valuable bulldog last week. She found him, but he was no longer fit for the fighting game, being quite cold and stiff in death. Evidences indicated poisoning. Thomas Maloney also lost two deerhounds And when he found them they too, the deerhounds, were quite dead. Again evidences pointed to poisoning, but not to the poisoner. Now every purchaser of liver at the Menlo market is considered an object of suspicion.

Edward MacBain, nephew of John MacBain of this place, fell from a four story building in San Francisco last week and suffered a fracture of his hip and also had his leg badly crushed. He was taken to the German hospital. Owing to the swollen condition of the limb it was impossible to set the bones. The attending physicians believe that no permanent injury will result. Mr. MacBain is a former resident of Menlo Park. He learned his trade of carpenter under the instruction of his uncle.

Thomas P. Maloney, who took the civil srevice examination some months ago for the position of game warden and passed with a good percentage, has been appointed a game warden of San Mateo county by the State Game and Fish Commission. Mr. Maloney will have to reside at Woodside as the commission insists on his living near the mountain district where game abounds. Mr. Maloney is looking for a residence at that place and will soonmove. His salary will be $100 a month.

The application of the vestry of Trinity Episcopal church, Menlo Park, for leave to mortgage the property of the church to the Hibernia Bank for a loan of $8000 was granted by Judge Buck on Thursday. The money will be used for the erection of a parochial residence for the pastor, Rev. Hugh Montgomery. Work on the building will begin within two weeks and will cost about $10,000. Weeden Bros. have the contract and are arranging to break ground for the structure.

Hereafter James Logan will patrol the highway at night instead of the day time. He will be on duty until midnight. There have been so many violations of the speed law lately that it became necessary to put on a night patrol. Fred Vallejo of Halfmoon Bay will cover the territory in the day time. The traffic officer could be greatly assisted in the work if the citizens would report to him all infractions of the law. He could then notify the offenders and if they would not desist, arrests could be made and the proper punishment meted out.

The Woman's Circle of the Menlo Park Presbyterian church will hold a bazaar on the afternoon and evening of Saturday, October 17th, in Duff and Doyle hall. The ladies in charge of the affair have been busily engaged for months in making wearing apparel for young and old, also a great variety of household articles, both useful and ornamental, which will be on sale at very reasonable prices. Refreshments are to be provided, both in the afternoon and evening. A special program of song and music is being prepared by Arthur Dowling. The public is invited to come and assist in this worthy cause. The proceeds are to be used in repairing the church property.

William Carnduff met with a painful accident last Wednesday while installing a pump in a well at the Maloney ranch near Holy Cross cemetery. He was struck by the handle of the windlas on the left arm, breaking the bone below the elbow. Mr. Carnduff will be prevented from shooting ducks when the season opens next Thuursdays. It is the first time in thirty years that he will miss hunting on the opening of duck and quail season.

COUNCIL AFTER DILATORY OWNERS OF PROPERTY

But little business was transacted at the regular session of the city council Monday evening, which was attended by all the trustees, one or two matters of more than usual public interest were given consideration. Among the most important of these was the issuance of a practical madate to owners of property who have been exempted from the public street improvement order under the plea of having made private contracts for the work that they must live strictly up to the letter of their agreement. This action followed a statement by Trustee Hahir that his attention had been called to the fact that in several instances owners of property in the district west of the County road now being improved who had been granted exemptions of this character were seemingly making no effort to proceed with the improvements for which it had been represented they had contracted. As the granting of this privilege had enabled the avoidance of a material expense, the trustees generally expressed severe condemnation of the dilatory and evasive tactics and expressed a determination to insist that in the future private contracts must at least keep pace with public improvement. As an evidence that there is to be no more evasion of this character, the street superintendent was instructed to prepare for City Attorney Mansfield a list of owners of property who had failed to prosecute private contracts as agreed, and the latter official was directed to issue notices that if the work was not done within 30 days the necessary legal steps would be taken to force the work under the public contract plan, which in instances of this character would involve a largely increased expense. From the instructions given it is evident that no further pretects for delay will be considered.

A notice from the University Extension League calling attention to the fact that there would be a meeting of the California conference on city planning in conjunction with the annual, session of the League of California Municipalities was placed on file, it being understood that the meeting would be attended as far as possible by the regular delegates.

The Roadamite Paving Supply Company applied for and was granted an extension of 30 days in the time of the completion of their contract for the improvement of streets in the district west of the County road. The same company asked that the street superintendent be authorize to issue a partial acceptance of the paving of Grant, Addison, Redwood and Oak avenues. Action on the latter application was postponed until the adjourned meeting of the council to be held Friday evening, in order to allow the trustees an opportunity to inspect the work.

F. W. Grimm, proprietor of the Redwood City House, whose saloon license had been revoked because of unsatisfactory conditions in the conduct of the place, was granted a renewal of the license for another quarter, but not without a considerable manifestation of reluctance on the part of the trustees, and even then with the distinct warning that he must dispose of the business to a satisfactory purchaser before the 1st of December or the permit to conduct the saloon would be called in. Mr. Grimm personally appeared ed before the council and made an earnest plea for extension of his privilege, urging that at this time it was practically impossible to secure a purchaser, promising at the same time to make every endeavor to comply with the order of the trustees.

Trustee Deleau called atttntion to the unsatisfactory condition of Railroad avenue, which he explained, was becoming a nuisance to pedestrians compelled to use the sidewalk, and urged that the Southern Pacific Railroad Company be required to fulfill an agreement made some months ago for the improvement of the street. After a general discussion of the conditions and the obligations of the railway company Chairman Merrill was requested to make a personal endeavor to secure action before the advent of the rainy season.

An adjournment was then taken until Friday evening, the time set for the reception of bids for the improvement of the County road.

The board of trustees of the Redwood City grammar school has elected Miss Natalie Hanson to the position of 6th grade teacher in the local school vice Miss Elizabeth Roe, resigned. Miss Hazel Winter is at present acting as substitute and will fill the position until November 1st. Miss Hanson has served as 8th grade teacher at South San Francisco for the past five years and is highly regarded there. The trustees of her present school were loath to release Miss Hanson, but did so on account of Redwood City being her home.

At the expiration of seventy-four years from the date of said bonds, all bonds sold shall cease to bear interest and likewise all bonds redeemed by lot shall cease to bear interest as in this act provided, and the said state treasurer shall call in, forthwith pay and cancel the same, out of the moneys in the third San Francisco seawall sinking fund provided for in this act, and, he shall on the first Monday of July, nineteen hundred and eighty-nine, also cancel and destroy all bonds not theretofore sold. Each bond shall contain a clause that it is subject to redemption by lot after the year nineteen hundred and fifty-four.

Said coupons shall be consecutively numbered, and shall bear the lithographed signature of the state treasurer who shall be in office on the second day of July, 1915. But no interest on any of said bonds shall be paid for any time which may intervene between the date of any of said bonds and the issue and sale thereof to a purchaser, unless such accrued interest shall have been by the purchaser of said bonds, paid to the state at the time of such sale.

SEC. 3. The sum of five thousand dollars is hereby appropriated to pay the expenses that may be incurred by the state treasurer in having said bonds prepared. Said amount shall be paid out of the San Fracisco harbor improvement fund on controller's warrants, duly drawn for that purpose.

SEC. 4. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the board of state harbor commissioners, and approved by either the governor of the state or mayor of the city and county of San Francisco, who shall only approve the same when in their judgment the actual harbor receipts, and those reasonably anticipated, will justify such sale of bonds and the consequent increased burden on harbor receipts; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and he may, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof, offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the date fixed for such sale. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in two newspapers published in the city and county of San Francisco, and also by publication in one newspaper published in the city of Oakland, and by publication in one newspaper published in the city of Los Angeles, and by publication in one newspaper published in the city of Sacramento, once a week during four weeks prior to such sale. The cost of such publication shall be paid out of the San Francisco harbor improvement fund, on controller's warrants duly drawn for the purpose. The proceeds of the sale of such bonds except such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the treasury, and must be by him kept in a separate fund to be known and designated as the "third San Francisco seawall fund" and must be used exclusively for the construction of wharves, piers, seawall, state railroad, spurs, betterments and appurtenances and necessary dredging and filling in connection therewith on the water front of the city and county of San Francisco. Drafts and warrants upon said fund shall be drawn upon and shall be paid out of said fund in the same manner as drafts and warrants are drawn upon and paid out of the San Francisco harbor improvement fund. Said state treasurer shall, on controller's warrants duly drawn for that purpose, employ the moneys in said sinking fund in the purchase of the bonds of the United States, or of the State of California, including any bonds authorized, issued and theretofore sold under authority of this act or of the several counties or municipalities of the State of California, which said bonds shall be kept in a proper receptacle, appropriately labeled; but he must keep always on hand a sufficient amount of money in said sinking fund with which to pay the interest on such of the state bonds herein provided to be issued as may have heretofore been sold. The state treasurer may only purchase such bonds authorized and issued under authority of this act with moneys in said sinking fund as have been theretofore sold. And to provide means for the payment of interest on the bonds that may be sold and outstanding, said treasurer shall monthly take from the San Francisco harbor improvement fund, and pay into said seawall sinking fund, an amount equal to the monthly interest then due on all bonds then sold, delivered and outstanding. The board of state harbor commissioners are hereby authorized and directed by the collection of dockage, tolls, rents, wharfage and cranage to collect a sum of money sufficient for the purposes of this act, over and above the amount limited by section two thousand five hundred and twenty-six of the Political Code of the State of California. Between the first and tenth day of May, in the year nineteen hundred and fifty-five and between the first and tenth day of May of each year thereafter until the maturity of said bonds, the said treasurer shall, in the presence of the governor, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund at that time, and shall thereupon and before the tenth day of June following, give notice by public advertisement to be inserted twice a week for two weeks in two newspapers published in the city and county of San Francisco, and also in one newspaper published in the city of Oakland, and also in one newspaper published in the city of Los Angeles, and also in one newspaper published in the city of Sacramento, stating the number of bonds so drawn and that the principal of said bonds will be paid on presentation to the treasurer on or before the second day of July, following, and that from and after such last named date, all interest upon bonds thus drawn shall cease, and it shall be the duty of the treasurer as soon as said bonds so drawn by lot are surrendered to him and paid to cancel the same, and the interest coupons thereon, and each year beginning with the year nineteen hundred and fifty-five, the said treasurer shall in the manner aforesaid, proceed to draw by lot such an amount of bonds as shall be requisite to exhaust as nearly as may be the amount in said sinking fund, and proceed in the manner hereinabove stated. After the payment of all said bonds, the surplus or balance remaining in said sinking fund, if any there be, shall forthwith be paid into the San Francisco harbor improvement fund. At the time of the respective drawings by lot, as aforesaid, and also at the maturity of said state bonds, said treasurer shall sell the United States or other bonds then in said sinking fund, except bonds authorized, issued and sold under authority of this act, at governing market rates, after advertising the sale thereof in the manner hereinbefore provided for the sale of bonds hereby authorized to be issued, and shall use the proceeds for the payment of such bonds as may be drawn by lot, and at the maturity of said bonds outstanding shall pay and redeem said matured outstanding bonds out of said moneys in said fund in extinguishment of said bonds on controller's warrants duly drawn for that purpose.
